who established an internationally recognized nation. A shrewd and		
determined politician, he enlisted the aid of a rebellious Wesleyan		
missionary. Noel Rutherford's book is an account of the life and times		
of this gruff, bewhiskered minister from London's East End, the		
Reverend Shirley Baker. A curious character often at odds with his		
peers, Baker's achievements, whether motivated by altruism or self-		
preservation, contributed greatly to the Tonga we know today.	0 11 0 11	222 2222
